

Bobby Gear Quilt Contest for CC27 in Baltimore

Bobby was a stupendous quilter and inspired many of us in quilting and costuming. This contest is to honor her and inspire us to continue making quilts.

- ❖ Maximum size includes any borders or sashings.
- ❖ There is no minimum size; if enough smaller or miniature quilts are entered, there may be a separate category. List of categories and instructions for delivery/pick-up will appear on the entry form.

- ❖ The entry may be the product of a group of quilters. A group is considered one or more persons, for example one person constructed the top and another person did the quilting and finishing. If a group is entering a quilt, the names of all those who worked on the quilt must be on the entry form.
